

# Clicker to support learners with physical difficulties

**Crick Software** and **Birmingham Physical Difficulties Support Service** would like to invite you to our Clicker webinar

**Date:** Thursday 25<sup>th</sup> November

**Time:** 3:30 to 4:15pm

Clicker is the complete writing solution for the primary classroom, providing every pupil with just the right level of support and challenge, as well as providing a wide range of accessibility settings.

Watch your pupils confidently tackle writing tasks with help from Clicker's supportive word processor and topic-specific sentence building activities, word banks and writing frames, all of which are accessible with switch support.

The latest version, [Clicker 8](#) combines proven literacy support tools teachers know and love. In this session we will show you :

- The supportive word processor and how you can tailor it to meet your learners' needs.
- Clicker Analytics - an area where you can view rich data about each child's writing journey.
- LearningGrids - Access hundreds of new resources based on Crick's award-winning 'Powered By Clicker' titles, including the *Find Out & Write About* series.
- Writing Frames - differentiated levels of writing support to encourage your learners to become independent writers.
- Clicker Cloze - create topic-specific Cloze activities in seconds.

To join our webinar simply follow the link below
